

IPTS

IPTS was founded in 2003 by Mr Muziwandile Nala who is also the Executive Chairman of the business. IPTS is a South African-based multidisciplinary group of professionals in the built environment industry with CIDB 7GB, 7CE. The team has the experience, expertise and commitment to ensure the provision of innovative and efficient business solutions.

LEVEL 1 BBEE

ABOUT US

IPTS is a group that specializes in Programme/Project Management, Architecture, Engineering, Quantity Surveying, Construction and Client Advisory Services in the Built Environment Industry in South Africa. The strength of IPTS lies in our ability to provide clients from both the public and private sectors (e.g. government, property developers, financial institutions etc), with specialized services that optimally meet their specific needs.

Amongst IPTS's aims is to improve facilities and service delivery in South Africa and abroad to a level not experienced before, by partnering with government departments and other stakeholders in ensuring high standards in the respective industry.

SERVICES:

IPTS offers a (wide) range of services in the Built Environment Industry which include:

- Programme/Project Management
